C8L SQD-Mini LED TV

*85" model shown. Product appearance may vary by size

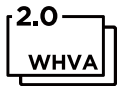

C8L SERIES

65" | 75" | 85" | 98"

PRODUCT HIGHLIGHTS

SQD-Mini LED

As the ultimate Mini LED TV, it integrates the expansive TCL Deep Colour System with the breakthrough TCL Halo Control System to ensure the most brilliant, pure, and immersive viewing experience possible.

WHVA 2.0 Ultra Panel

The WHVA 2.0 Ultra Panel provides a stunning picture from any seat with the high contrast, anti-reflective border-free vision* panel that's designed to deliver vibrant colours and crisp detail from every angle.

*BorderFree only refers to the hardly perceived BM zone at the edge of the image under normal viewing scene and distance.

TCL Deep Colour System

The TCL Deep Colour System is an advanced colour suite that blends Super Quantum Crystals (Super QLED) for up to 100% of BT.2020 Colour*, TCL UltraColour Filter, and TCL Advanced Colour Purity Algorithm for an incredibly vivid, accurate picture.

**100% of BT2020 Colour" is based on typical achievement of 100% of the BT2020 Colour Ratio. Actual results may vary slightly due to differences in the test environment, standards, and equipment, as well as other factors such as reasonable production batch variations.

Precise Dimming and Brightness

Up to 4,032 local dimming zones and HDR 6,000 nits, can bring true to life pictures in your living room.

*based on the 98C8L specs

Premium Design

Combines cutting-edge technology with refined, sophisticated design, to create a striking centerpiece for any modern living space.
